Exploring Local Food Communities Bibliography, 6/20/16

This bibliography consists of the books put out as part of the Exploring Local Food Communities book display on the third floor of Case Library. It is by no means an exhaustive list of books on these topics, merely a starting point.

Eizenberg, E. (2013). *From the ground up: Community gardens in New York City and the politics of spatial transformation*. Farnham, Surrey, UK: Ashgate.
